Attention: Brian Newquist

Dear Mr. Newquist:

Firex Corporation (Illinois Generator's ID ^{Dupage County} #0430305006) has changed its name to Seatt Corporation. Seatt will still be a generator of spent fluorinated wastes (F001) and will be utilizing the same manufacturing procedures as Firex.

The name of Firex must be changed to Seatt on the Illinois Generator's ID number and on all future correspondence.

All other information such as address, telephone number and recycler will remain the same.

If further information is required, do not hesitate to contact me.

Sincerely,

Richard Kocourek
